Experience

App Innovation Technology Private Limited,   Coimbatore
Full-Stack Developer (MERN Stack)   **2023 - 2024**
Project : Lawnshark

- I started developing the web application from scratch.
- Developed and maintained the Lawnshark web application using React.js and Material-UI (MUI).
- Implemented dynamic and responsive user interfaces to enhance user experience and engagement.
- Collaborated closely with UX/UI designers to ensure the visual appeal and usability of the application.
- Created custom API and Implemented robust APIs using Node.js and Express.js
- Leveraged MongoDB to develop and maintain databases, optimizing performance and data storage solutions.
- Utilized Git for version control, enabling efficient tracking of changes and seamless collaboration with team members.
  Technology : React JS, node.js, mongoDB, MUI, Redux

Nutz Technovation Private Limited, Erode
React Developer   **2022 - 2023**
Project : Sportswander

- I played a key role in enhancing the web application by creating new reusable components to improve its functionality and user experience
- I effectively managed the application's state using Redux, ensuring seamless data flow and efficient management of complex UI interactions.
- Additionally, I integrated backend APIs into the frontend using Axios, enabling real-time data retrieval and dynamic content updates.
  Technology : React JS ,MUI, Bootstrap, Redux

Project : YourMejestry

- This project centered around the creation of an e-commerce platform specializing in traditional clothing options for women.
- I spearheaded the development of a highly responsive single-page application using a stack comprising React, Redux, MUI, and react-bootstrap.
  Technology : React JS ,MUI, Bootstrap, Redux

Magiva Technology Private Ltd, Erode
Technical Support   **2020 - 2022**

- As a Technical Support Engineer, I played a vital role in ensuring the operational efficiency of fleets by proactively identifying and resolving technical issues.
- My responsibilities included diagnosing and predicting potential problems in fleet equipment, particularly focusing on electrical and electronic hardware components.

Education

Erode Sengunthar Engineering College, Erode
Mechanical Engineering   2014 -2018   **6.6 CGPA**

Coding Skills

React JS, Node Js, Redux ,MUI,JavaScript, Html5, CSS3, MongoDB
